Teaching Positions Available at Family Lyceum

Family Lyceum is seeking talented, passionate Mentors and Teaching Assistants for students K-8. Our classes are small, and we encourage creativity, hands-on learning, simulations, projects, and a variety of real-life experiences. We connect all subjects and would like to have mentors who have expertise in at least one area--science, history, art, music, math, language arts, or foreign language.

Applicants should have experience teaching children and the ability to connect with them. They should be teachable, fun, organized, and committed to the students and families. In the classroom, we foster a culture of kindness, and we teach a growth mindset. These values should be second nature to the faculty. We are looking for applicants who absolutely love what they teach, care deeply about the students, and believe in a higher purpose for education. A teaching certificate is helpful but not required.

Applicants should be available during regular school hours at least two days a week. Classes are in session for 36 weeks on a regular school calendar.

Compensation: Teaching assistants work hourly, starting at \$15/hr. Salary positions may also be available. All positions are part time.

For more information about Family Lyceum, visit familylyceum.com.

To apply, fill out the application form on our website:
